Letter Received From The Brick

Dear all at St. James

Just a note to say how grateful we are for your kind donation of food provisions to help the work we do here at The Brick. Your support is invaluable to us.

We provide food parcels for those who are in desperate need and these parcels are supplied from our foodbank which is completely non-funded and so we rely entirely on the goodwill of the community. As we are currently experiencing high volumes of clients requiring food parcels, your continued support will be an even greater help to us. We have seen many lives changed during the past 9 years and with your continued support we hope to see many more.

From all the staff, volunteers and clients here at The Brick. Thank You and God Bless!
